

Julian Tenison Woods features in -People of the Valley- Writings from the Hunter

Thanks to Sister Ellen Royan Trsj (Lochinvar), Fr Woods, Co-founder of the Sisters of St Joseph, will be better known by a new readership, especially in the Hunter Valley of NSW.

Last October Ellen was invited to write about someone who had contributed significantly to the Hunter Valley. She wrote about Fr Woods' time there as a Missioner and her writing forms an interesting Chapter in the recently published Catchfire Publication.
